

Spiritualism vs. Common Sense.

The Spiritualist *Harbinger*, one of the sublimely ridiculous advocates of spiritualism and rappingism has the following sublimation of nonsense:

"In the twelfth hour, the glory of God, the life of God, the Lord of God, the Holy Procedure, shall crown the Triune Creator with the perfect disclosive illumination. Then shall the Creator, in effulgence above the divine scraphimal, arise into the dome of the disclosure in one comprehensive revolving galaxy of supreme beatitudes."

The Cayuga *Chief* thus aptly responds: "Then shall blockheads in the jackass-assical dome of disclosive procedure, above the all-fired great leather fungus Peter Nip-ninygo, the Gooseberry Grinder, rise into the dome of this disclosure, until co-equal and co-extensive and conglomerated luxuries, in one comprehensive mux, shall assimilate into nothing, and revolve like a bobtailed pussy-cat after the place where the tail was."

One is quite as intelligible as the other; indeed, the response, if anything, has the most spirit.

Horse Hair Snakes.

Concerning sinuous and attenuated entities, Dr. Gideon B. Smith addresses the following communication to the Baltimore *Patriot*:

"I would suggest to the citizens of Baltimore a very simple plan for straining all their hydrant water, which, at this season of the year, is a matter of some importance to delicate palates. Take about a quarter of a yard of good, fine flannel, and tie it firmly over the mouth of the hydrant spout, leaving a small sack or bag, of the size of a goose egg, in the centre of the flannel. The writer fixed his hydrant in this way, and it proved perfectly effectual. At this time the little horse hair snake, or eel, is very abundant in all streams and pools of water, and frequently makes its appearance in the hydrant water, and the above plan will certainly catch it. This little reptile is supposed to be perfectly harmless. It is generally supposed to be produced from a horse hair that has fallen into the water. This is of course a ridiculous common error. It is like all other organized beings, animal or vegetable, a regular organized animal, propagated by its own kind. Its scientific name is *Gorillus A. aquaticus*. At the present time, and for a few weeks to come, it appears nearly white or like a thread of glass or white horse hair, only a little longer. The above plan will effectually prevent their being swallowed. All pools and streams of water in the middle and Southern States are equally inhabited by them."

(POISONING)

Thousands of Parents who use Vermifuge composed of Castor Oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundations for a series of diseases, such as salivation, loss of sight, weakness, of limbs, &c. In another column will be found the advertisement of Hobensack's Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine medicine, Hobensack's Liver Pills.

"Be not deceived," but ask for Hobensack's Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. HOBENSACK, as none else are genuine.

New-York, May 13, 1853.

TO RAILROAD CONTRACTORS.
Sealed proposals will be received at the office of the DELAWARE, LACKAWANNA and WESTERN RAILROAD COMPANY, No. 45 Wall street, New York, and at the office of the Company, at Scranton, Luzerne county, Pa. until the fifteenth (15th) day of June next, for the Grading, Bridging and Masonry, of the Eastern Division of said road, about fifty-five miles, to the point or junction with the New Jersey Railroads near the Delaware Water Gap. Plans and specifications will be furnished on application to the General Agent of the Company, at Scranton.

The road will be graded and bridged for a double track, and the payments made in cash.

GEO. D. PHELPS, President.

Delaware, Lackawanna & Western Railroad.

I have now the pleasure to announce to the citizens of Monroe county, that this Road is to be built. That in accordance with a promise made to many of the friends of the enterprise, whenever it was fully ascertained that the work was to proceed I would give due notice, that all should have the opportunity to subscribe to the stock, and become friends of the Road.

Under this promise, JAMES H. STROTZ, FRANKLIN STARRIB, STODDELL STOKES, and WILLIAM S. REES, Esqrs, either of whom are authorized to receive subscriptions to the capital stock until the 5th day of June next. Interest is to be paid on the stock from the time of payment until the road is done.

I would say to the friends who generously ceded their lands for the road, that it greatly assisted us in getting the means to proceed, and as a compensation they will have the pleasure to say, that they made the sacrifice to aid an enterprise in their day and generation, that will prove a lasting benefit to the inhabitants of Monroe county, until time is no more.

DR. J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Melick's Jewellery store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

\$500 CHALLENGE.

Whatever concerns the happiness and health of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that worms, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually chargeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy:—

Hobensack's Worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, &c. can be given to the most tender Infant with decided beneficial effect, where Bowel Complaints and Diarrhea have made them weak and debilitated, the Tonic properties of my Worm Syrup are such, that it stands with, out an equal in the catalogue of medicines, in giving tone and strength to the Stomach which makes it an infallible remedy for those afflicted with Despepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm!

This is the most difficult Worm to destroy of all that infest the human system.—It grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach affecting the health so sadly as to cause St. Vitus Dance, Fits, &c. that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act directly upon the Worm which must be taken in doses of 2 Table spoon's full 3 times a day, these directions followed, have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of man is more liable to disease at the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c.—We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots and Plants furnished by nature to heal the sick. Namely: An *Extractor*, which augments the secretion from the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2d. An *Alterative*, which charges in some applicable and insensible manner, the certain morbid action of the system. 3d. A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th. A Cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

To Females.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their fractional arrangement to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as head ache, giddiness, dimness of sight, pain in the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being base imitations. Agents wishing new supplies, and Store Keepers wishing to become Agents must address the Proprietor J. N. Hobensack No 120 N. Second st., Phila., Pa.

What can be got for Five Dollars!!

Grand Literary and Artistic Combination.
Arrangements have been made to furnish the KNICKERBOCKER MAGAZINE, the HOME JOURNAL, and the NEW YORK MUSICAL WORLD AND TIMES, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The Knickerbocker is \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$5; making \$8 a year at the usual rates. That three such works can be obtained for five dollars a year, is a fact truly worthy the Caloric age, which is just now being ushered in. Of the Knickerbocker Magazine, edited by Lewis Gaylord Clark, it is unnecessary to speak.

For twenty years it has been the most general, humorous, and spicy "monthly" in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris, and N. P. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Storrs Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to nearly everything worth knowing—Art, Science, Literature, Music, Painting, Sculpture; Inventions, Discoveries; Wit, Humor, Fancy, Sentiment; the Newest Fashions and other attractions for Ladies; Choice New Music for the Sabbath, the Church, and the Fireside; Reviews and Criticisms of Musical Works, Performed and Performances; in short; the very pick and cream of Novelty, Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it Better, Wiser, and Happier, may be now obtained for five dollars. Address DYER & WILLIS, 257 Broadway.

Editors publishing the above three times, and sending the papers containing it to Dyer & Willis, will receive the three works named, for one year.

and all other articles in his line of business, which he will dispose of upon very reasonable terms.

Work made to order at the shortest notice. His materials will be of the best quality, and as he employs none but good workmen, he hopes to receive a liberal share of public patronage.

His motto is "quick sales and small profits." Call and see for yourselves.
